General Rules and Regulations

- Official Scrapie Tag/Tattoo
- Requirements By order of the Washington State Department of Agriculture, effective May 16, 1999, all female sheep and intact breeding males must be identified with an official WSDA Scrapie Flock Identification Tag or tattoo prior to being admitted for exhibition or sale at the Palouse Empire Fair. This requirement is in compliance with Washington Administrative Code (WAC) Chapter 16-89 "Sheep and Goat Scrapie Disease Control". Listed sheep without proper identification will be refused entry into the Palouse Empire Fair.
- No washing of sheep at the Fair without permission of the Sheep Superintendent.
- Lamb Tail Docking: Scientific research indicates that the incidence of rectal prolapse is reduced when the tail is docked in a non-extreme manner. Complete tail removal (extreme docking) is not an accepted sheep production practice and will be discouraged at the Palouse Empire Fair. In order to determine extreme docking, the gray tail docking measuring device will be used. The device will be raised in a vertical plane and should catch enough tail to lift: this is comparable to two fingers width. A violation has occurred if there is inadequate tail to lift. The exhibitor will be informed with a correction expected for future Palouse Empire Fair participation.
- Sheep entries are to be made to the Fair office no later than August 1st.
- All exhibits are to be on the grounds by 8:00 p.m., Wednesday. The Fair Association will furnish bedding. Each exhibitor is encouraged not to waste bedding material. Exhibitors will furnish their own feed and feed boxes. A trim stand area is available for exhibitors.
